Dear Business Owner,

We are Adam D. Technology™ and we would like to take this moment to explain some of the services that we offer. We provide a wide range of services that cover Home and Small Business. Some of the services we offer are:

- Computer Repair and Preventative Maintenance
- Network Design and Set-up
- Server Management
- PC Set-up and Software Installation
- Entertainment Systems (i.e. TV, Surround Sound, etc.)
- AND MORE...

We have certifications from Dell, A+. We are members of ASBA (Arizona Small Business Association), along with Microsoft Partner Program. We are a local business that takes the cares of Home Owners and Small Business Owners to heart. We strive to provide the best service possible at a very competitive price. Unlike the “Corporate Techies” we have no fees, we don’t charge by the mile, nor do we half-hour hold times to speak with a tech. Our service is 100% Guaranteed Satisfaction.

We would like you to take a look at some of the packages that we have available for you. These are only a few options available to fit your needs:
